

# SiSiB<sup>®</sup> PC8901 SILANE

- 1 -

## CHEMICAL NAME

Triphenylpyridylphenyltriethoxysilane [Developmental]

## CHEMICAL STRUCTURE

## INTRODUCTION

SiSiB<sup>®</sup> PC8901 is a customized organosilanes.

## TYPICAL PHYSICAL PROPERTIES

|                            |  |
|----------------------------|--|
| CAS No.                    | Not applicable                                     |
| EINECS No.                 | Not applicable                                     |
| Formula                    | C <sub>35</sub> H <sub>35</sub> NO <sub>3</sub> Si |
| Molecular Weight           | 545.74   |
| Boiling Point              | No data °C [760mmHg]                               |
| Flash Point                | No data  |
| Color and Appearance       | Clear liquid                                       |
| Density <sub>25/25°C</sub> | No data  |

- 2 -

|                         |         |
|-------------------------|---------|
| Refractive Index [20°C] | No data |
| Active Content          | No data |

## APPLICATIONS

SiSiB<sup>®</sup> PC8901 is used as crosslinking agents for hardening of RTV silicone rubber. The resulting elastomer had good heat and radiation resistance.

## PACKING AND STORAGE

Customized product packing is 100ml, 250ml, 500ml, 1L and 5L bottle. Industrialized product packing is 210L steel drum or 1000L IBC tote.

In the unopened original container SiSiB<sup>®</sup> PC8901 has a shelf life of one year in a dry and cool place.

## NOTES

All information in the leaflet is based on our present knowledge and experience. We reserve the right to make any changes according to technological progress or further developments. Performance of the product described herein should be verified by testing.

We specifically disclaim any other express or implied warranty of fitness for a particular purpose or merchantability. We disclaim liability for any incidental or consequential damages.

Please send all technical questions concerning quality and product safety to: [silanes@SiSiB.com](mailto:silanes@SiSiB.com).
